Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Plans and Policy Staff

FROM : Chief, School of International Communism

SUBJECT: Weekly Activities Report No. 46
7 November - 14 November

DATE: 14 November 1956

I. SIGNIFICANT ITEMS

Nothing to report.

II. OTHER ACTIVITIES

1. Introduction to Communism No. 3 began on 13 November with 73 students enrolled with a compressed schedule designed to complete the principal content of the course by 21 November. The course will carry on through Thanksgiving Friday but, in anticipation of a fair number of absentees the last day, will comprise for the most part more general lectures on which the students will not be tested.

2. Messrs. Rositzke, [] provided a full two-day orientation in Communism to the Foreign Service Officers EOD Course at the Foreign Service Institute. It appeared clear to all three lecturers that the quality of the class did not justify four three hour lecture-discussion periods. Our reaction was discussed with Mr. Nadelman, Chief Instructor of the course, and it is agreed that a more elementary alternative, comprising lectures, reading, and movies would be prepared for presentation to those EOD classes which appeared to be in need of a more basic appreciation than the original two-day curriculum involved.

3. [] has requested further participation of SIC in his Communist Seminar. We shall take this opportunity to discuss further with him the extent and partial duplication of SIC participation in both his and Mr. Nadelman's course.

4. Three students from DDP/FE completed the tutorial coverage of the Anti-Communist Operations course on 9 November.

5. Covert Training:

[] 14 November 3 hours each.
